

## Students of Tuncurry Awards and Rewards (STAR)

Great Lakes College Tuncurry Campus STAR is designed to encourage and recognise individual student efforts. Our reward system is used to encourage positive student behaviour that demonstrates the expectations of respect, responsibility and personal best. Students are rewarded with STAR points and Tuncurry commendations.

### Rationale:

Reward systems are an effective way to celebrate student achievement and positive student behaviour. The use of STAR points within the classroom is a form of extrinsic motivation for students, encouraging cooperative participation in academic and social learning experiences. It is important to recognise that these reward systems should be consistent and fair, providing students with motivation and encouragement. To ensure all students have equal opportunity to be rewarded for their positive behaviour, staff are required to award STAR points to students following GLCTC core expectations of respect, responsibility and personal best each lesson.

### Overview:

- STAR points are awarded for following our core expectations of respect, responsibility and personal best.
- STAR points are awarded by teachers electronically. Students are encouraged to ask their teachers if they have been awarded a STAR point for that lesson. The goal is to earn enough STAR points to reach the following:

Level	Points and reward
Bronze	200 – 1 line pass
Silver	400 – canteen voucher \$5
Gold	600 – canteen voucher \$5 and 1 line pass
Dolphin	800 – community voucher

- STAR Days:
  - Term 1 STAR Rewards Day (zero negative entries)
  - Term 2 Bronze Rewards Day
  - Term 3 Silver Rewards Day
  - Term 4 Gold/Dolphin Rewards Day

### STAR points

Following core expectations (Respect, Responsibility and Personal Best) in class each week 5 STAR points	School Service/Citizenship Award 10 STAR points	School Representation e.g. sport, music 10 STAR points
100% Attendance each fortnight 10 STAR points	Top 3/"A" for an assessment task 30 STAR points	Positive Deputy Principal Letter 15 STAR points
