Great Lakes College Uniform Policy

All students are expected to wear school uniform at school and on school excursions. Parents will be informed of consistent or serious breaches of the dress code. Parents may be asked to bring the required clothing to school. Parents will be informed about uniform infringements on a regular basis via letter. This information will also be reported on semester reports.

The wearing of identifiable uniform and colours also represents an important child protection requirement, especially on the Tuncurry site, which is shared between two school campuses and TAFE. *The legal obligation to protect all users of the campus site will override any objection to the wearing of uniform.*

Students are expected to maintain a high standard of personal hygiene and neatness. Clothing and accessories should be clean, safe, modest and in reasonable condition. Most items of uniform are available through our preferred suppliers: Jungle Surf Tuncurry, Lowes Manhattan Stockland Mall and Mystic Soul Forster. In addition, a clothing pool operates via the administration office.

The school community has decided the college uniform/dress code as follows:

Jeans, open shoes (sandals, thongs, canvas loafers etc.) and shirts without collars are not part of the College dress code. Large earrings/bangles and chains represent a WH&S issue for school activities and, as such the wearing of these items whilst at school is prohibited. Students wearing these items will have them confiscated and they can be collected at the end of the day.
